PERSONAL STATEMENT

In today's global society, I have gained the necessary training and academic experiences to increase the depth of my knowledge base in a variety of Media Arts and Animation platforms. I possess the ability to develop 2D and 3D models utilizing best practices and 21st century skills. I aspire to project personal and professional growth while acquiring a network system within a community framework; promote collaborative efforts to enhance creative aspects; and sustain a high caliber for success.

Experience:

2015-2016

Neon Ave. Studio, Henderson, NV

Character Designing

-Created multiple characters based upon healthy foods

Marketing

-Created post cards and costume ideas for Halloween

Voice Overs

Voiced over the main character, Odof

2016

Daymond John's Launch Academy

Attended Daymond John's 3-Day Workshop to learn about entrepreneurs and how to get a business started.

2018

DeviantArt Advisory Board

I was one of the few members chosen to advise ideas the staff in their upcoming updated site.

Education:

The Art Institute of Las Vegas, NV 2013-2016
